

Quality from more than 40 years of
experience in the development and
production of blackout systems

Current spare part catalogue

REMIS is your specialist for:

- Front blackout systems
- Sun and insect protection for windows and doors
- Roof windows
- Room dividers

Pioneer, developer and visionary

For more than 40 years, **REMIS** has provided smart ideas for one of the most fantastic hobbies that there is: Discovering new horizons, experiencing other cultures but still maintaining a feeling of home, even in a remote location.

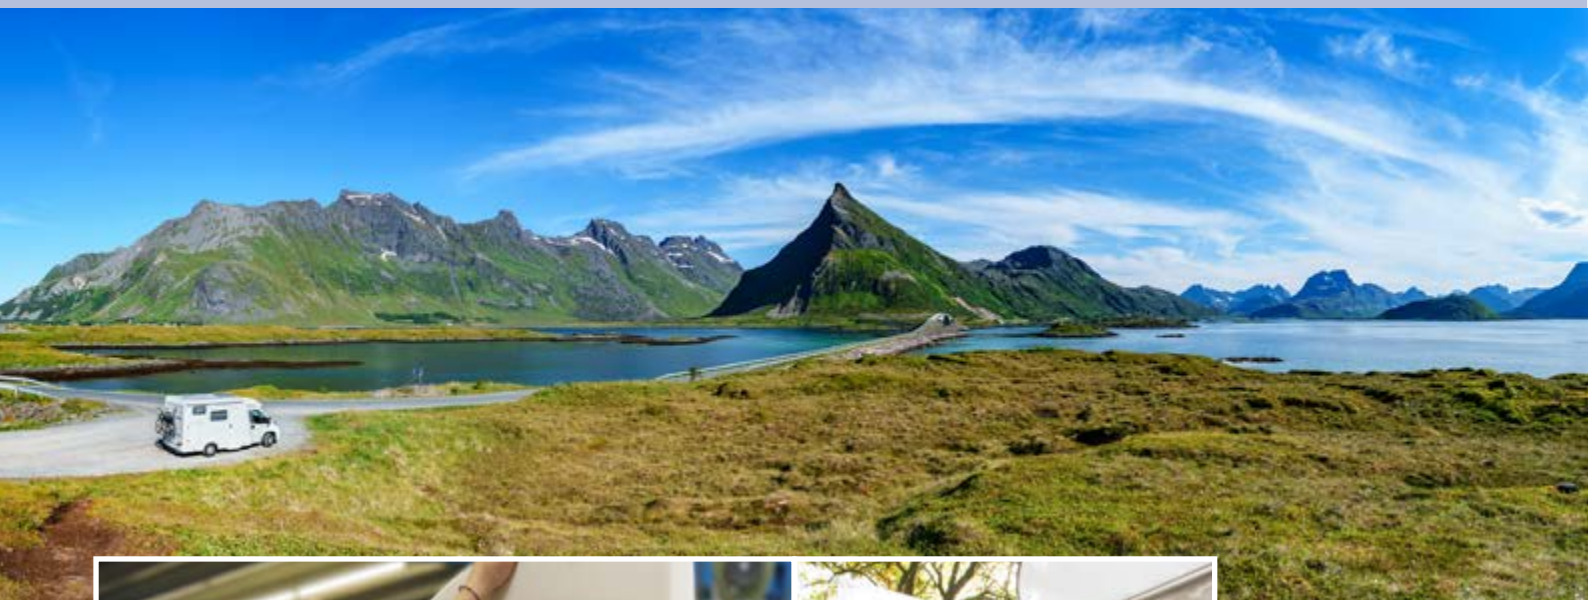

To fulfil your desires, we work on finding useful solutions for eve-

rything to do with your motor home and caravan. In the following section, we will introduce our range of products that will make your hobby even more comfortable, with the well-known REMIS quality and at a fair price-performance ratio.

Many years of experience, well thought out products, family run

and made in Germany, that is REMIS, your supplier for creative and tailor-made ideas for your caravan or motor home.

You can obtain REMIS products exclusively in competent specialist camping dealers.

REMIS products can be found at these specialist and major dealers among other places:

Germany

Great Britain

France

Spain

The Netherlands

Sweden

Denmark

Norway

Turkey

Italy

Australia

Portugal

South Africa

The USA

We help:

REMIS Health-Centre e.V.

In 2003, we began our long-term contact with Tengelmann AG and with HCE (Hilfs-Center-Essen Darsilami e.V.) our commitment in Gambia (West Africa).

In cooperation with the ISET (The Institute for Solar Energy Supply Technology at the University of Kassel), we have a project to supply

the children's dormitory in Darsilami (Gambia) with its own self-sufficient power supply and support it financially, technically and also with personnel on location. At the same time, since 2003 we have been running annual fundraising activities for this and other connected projects in Darsilami.

At the centre of our help are the

active fundraising activities to guarantee the long-term upkeep of the ward.

The association transfers 2000 euros a month of donations to Darsilami. With this money, the staff costs, the clinic management, the nurses and carers, the medication and current purchases can be paid.

Quality from more than 40 years of
experience in the development and
production of blackout systems

Spare part catalogue 2019 / 2020

REMIS is your specialist for:

- Front blackout systems
- Sun and insect protection for windows and doors
- Roof windows
- Room dividers

Pioneer, developer and visionary

For more than 40 years, **REMIS** has provided smart ideas for one of the most fantastic hobbies that there is: Discovering new horizons, experiencing other cultures but still maintaining a feeling of home, even in a remote location.

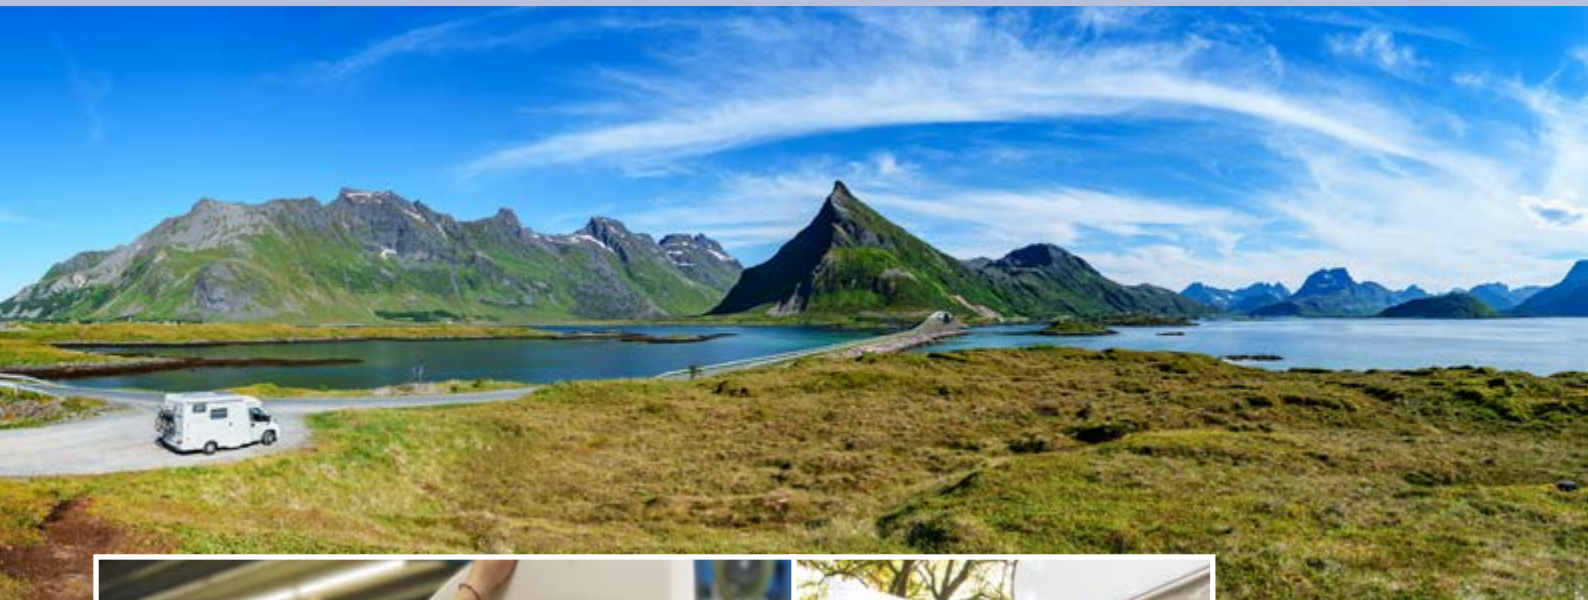

To fulfil your desires, we work on finding useful solutions for eve-

rything to do with your motor home and caravan. In the following section, we will introduce our range of products that will make your hobby even more comfortable, with the well-known REMIS quality and at a fair price-performance ratio.

Many years of experience, well thought out products, family run

and made in Germany, that is REMIS, your supplier for creative and tailor-made ideas for your caravan or motor home.

You can obtain REMIS products exclusively in competent specialist camping dealers.

Development and production in Germany
